INSTRUCTIONS
Please Read and Follow Carefully

1. The Counseling Center is only able to assist with Withdrawals for Degree Students (students who have officially been admitted to a college within the university – this includes FYC and the Transition Program). If you are a Non-Degree Studies Student (NDS, PBS, UGS) seeking to Withdraw from your courses, contact Registration & Records (515-2572) for withdrawal procedures. See NDS Late Withdrawal/Cancellation Request for more information.

2. Graduate Students should speak to their graduate administrator (Director of Graduate Programs in their academic department) as part of the withdrawal process to understand possible implications of the withdrawal on enrollment status, graduate support plan, etc. If you have not done so prior to the submission of this application it will delay processing of your request.

3. All requests for Withdrawal MUST be submitted in writing. This form is intended ONLY for persons who are unable to come to campus (e.g.: illness, relocated, out of the country, etc.). It is usually best if you can meet with a counselor in person. If you are unable to come to campus to request a Withdrawal, then complete this form with the appropriate information. All forms must be signed.

4. Please Note: Late and Retroactive Withdrawals are not guaranteed. All decisions regarding Late and Retroactive Withdrawals are made by the Dean of your College (or designee), not by the Counseling Center. “Withdrawals without academic penalty are granted by the University only when exceptional circumstances exist.” Deans consider late Withdrawal requests on an individual basis and determine if Withdrawal requests will be approved. The Counseling Center’s role is to facilitate the Withdrawal process. For more information please see REG 02.05.4, Withdrawal from the University.

5. You are required to provide appropriate documentation verifying your reason for your Withdrawal Request. Refer to the Withdrawal Information Sheet for more information on the types of Withdrawals and the appropriate documentation required.

REASONS FOR MEDICAL/PSYCHOLOGICAL COURSE DROPS OR WITHDRAWALS

Please give a brief description of your psychological, medical and/or hardship concerns and explain how your academic situation was impacted. Be sure to include the date of your awareness of psychological and/or medical concerns and dates and types of any treatment or interventions sought. If applicable, please explain how these issues have been resolved or how you are working on resolving them. Use the space available. If the difficulties you faced were primarily medical or psychological and you saw an off-campus health provider, please print a Health Provider Letter from our website to give to your provider. This sheet will outline the documentation that you need from your provider. If you already have documentation from your provider, a counselor will review it for adequacy. If you have not seen an off-campus provider, or if you cannot obtain adequate documentation, a counselor will try to assist you in obtaining further evaluation. Please call or come in if you need this assistance.

If you are applying for a hardship withdrawal, the Dean/designee of your College will require any documentation of the problem that you can reasonably provide. Depending on the circumstances, letters from a physician documenting a family illness, from an employer on change of employment status, hospital records, obituaries, police reports, etc. may also constitute documentation.

The effective date is the end of the semester or the documented last date of class attendance/participation. It is the student’s responsibility to provide documentation for any potential effective dates earlier than the last date of classes (e.g. note or email from instructors verifying the last date attended/participated, official documentation showing date hospitalized, moved, etc).

According to the University Cashier’s Office: An administrative fee of 5% of the total tuition and fee charges not to exceed $100.00 will be charged by the cashiers office for all withdrawals processed. COMPLETING THE PROCESS

• Once you have completed and signed this form and obtained any appropriate documentation, send this information to: ATTN: Withdrawal Request  
  NC State Counseling Center  
  Campus Box 7312  
  2815 Cates Ave  
  Raleigh, NC 27695

OR fax to: 919-515-8525 ATTN: Withdrawal Request

• IMPORTANT: Call the Center within a few days after sending in your request to make sure it was received. If you have not heard a decision about your withdrawal request after two weeks of submission please call to check on its status. Do not assume that your withdrawal has been completed or approved simply because you sent in a request. Late withdrawal requests can take weeks to process due to the number of offices involved. Late and Retroactive Withdrawals are not guaranteed and are granted by the Dean/designee of your college. We facilitate this process for the student. In some cases it may be necessary for the student to communicate directly with the Dean/designee as part of the Withdrawal process. We will inform you if this necessary in your case.

• If you answered “Yes” to any of Questions 2 – 7 on page 1, be aware that offices involved with those issues need to ‘clear’ your Withdrawal (if it is approved) before it can be processed by Registration and Records. Contact the Counseling Center for about clearance steps in your case.

• It is strongly recommended that you contact your Academic Advisor, Financial Aid Counselor, Housing Representative, and/or Registration and Records to ensure that you understand the implication of this withdrawal on your status at NC State University and on your Progress Toward Degree.
