INSTRUCTIONS Please Read and Follow Carefully

- 1. The Counseling Center is only able to assist with Withdrawals for Degree Students (students who have officially been admitted to a college within the university this includes FYC and the Transition Program). If you are a Non-Degree Student (NDS, PBS, UGS) seeking to Withdraw from your courses, contact Registration & Records (515-2572) for withdrawal procedures. See NDS Late Withdrawal/Cancellation Request for more information.
- 2. Graduate Students should speak to their graduate administrator (Director of Graduate Programs in their academic department) as part of the withdrawal process to understand possible implications of the withdrawal on enrollment status, graduate support plan, etc. If you have not done so prior to the submission of this application it will delay processing of your request.
- 3. All requests for Withdrawal MUST be submitted in writing. It is usually best if you can meet with a counselor in person. If you are unable to come to campus to request a Withdrawal, then complete this form with the appropriate information. All forms must be signed.
- 4. Please Note: Retroactive Withdrawals are not guaranteed. All decisions regarding Retroactive Withdrawals are made by the Dean of your College (or designee), not by the Counseling Center.
- 5. You are <u>required</u> to provide appropriate documentation verifying your reason for your Retroactive Withdrawal Request.

REASONS FOR MEDICAL/PSYCHOLOGICAL WITHDRAWALS
Please give a brief description of your psychological, medical and/or hardship concerns and explain how your academic situation was impacted. Be sure to include the date of your awareness of psychological and/or medical concerns and dates and types of any treatment or interventions sought. If applicable, please explain how these issues have been resolved or how you are working on resolving them. Use the space available. If you need additional space please indicate that you have attached your description on a separate page. Insufficient information will delay the processing of your request.

If the difficulties you faced were primarily medical or psychological and you saw an off-campus health provider, please print a <u>Health Provider Letter</u> from our website to give to your provider. This sheet will outline the documentation that you need from your provider. If you already have documentation from your provider, a counselor will review it for adequacy. If you have not seen an off-campus provider, or if you cannot obtain adequate documentation, a counselor will try to assist you in obtaining further evaluation. Please call or come in if you need this assistance.

If you are applying for a hardship withdrawal, the Dean/designee of your College will require any documentation of the problem that you can reasonably provide. Depending on the circumstances, letters from a physician documenting a family illness, from an employer on change of employment status, hospital records, obituaries, police reports, etc. may also constitute documentation.

What was the last date you attended/participated in any class during the semester you wish to withdraw?

Any potential prorated tuition refund, or change in your bill, will be based on the effective date of your Withdrawal Request. The effective date is the end of the semester or the <u>documented</u> last date of class attendance/participation. It is the student's responsibility to provide documentation for any potential effective dates earlier than the last date of classes (e.g. note or email from instructors verifying the last date attended/participated, official documentation showing date hospitalized, moved, etc).

According to the University Cashier's Office: An administrative fee of 5% of the total tuition and fee charges not to exceed \$100.00 will be charged by the cashiers office for all withdrawals processed. This fee will post to your university account after the processing of your withdrawal. This charge is assessed by the university and not the counseling center and is not a charge that we can waive or alter. This is charged for any type of withdrawal including Early Withdrawals.

COMPLETING THE PROCESS

 Once you have completed and signed this form and obtained any appropriate documentation, send this information to:
 ATTN: Withdrawal Request

NC State Counseling Center Campus Box 7312 2815 Cates Ave Raleigh, NC 27695

OR fax to: 919-515-8525 ATTN: Withdrawal Request

- IMPORTANT: Call the Center within a few days after sending in your request to make sure it was received. If you have not heard a decision about your withdrawal request after two weeks of submission please call to check on its status. Do not assume that your withdrawal has been completed or approved simply because you sent in a request. Retroactive Withdrawals are not guaranteed and are granted by the Dean/designee of your college. We facilitate this process forthe student. In some cases it maybe necessary for the student to communicate directly with the Dean/designee as part of the Withdrawal process. We will inform you if this necessary in your case.
- If you answered "Yes" to any of Questions 2 7 on page 1, be aware that offices involved with those issues need to 'clear' your Withdrawal (if it is approved) before it can be processed by Registration and Records. Contact the Counseling Center for about clearance steps in your case.
- It is strongly recommended that you contact your Academic Advisor, Financial Aid Counselor, Housing Representative, and/or Registration and Records to ensure that you understand the implication of this withdrawal on your status at NC State University and on your Progress Toward Degree.
